SUMMARY

Full-stack developer with over 2 years of experience building and maintaining web applications. I have a B.Sc. in Software Engineering and solid skills in React.js, Node.js, Python, PHP, and MySQL. I have developed Moodle plugins, integrated Telebirr and Webirr payments, and deployed systems on Azure and GoDaddy. I also completed the Kifiya AI Mastery (SAFE KAIM) training, which strengthened my knowledge of Python and AI. I enjoy solving problems, learning new tools, and creating clean, user-friendly software.
